Foreword

PPUH AUTO-HAK S.J.

This towbar is designed according to rules of safety traffic regulations. The towing hitch is a safety component and can be install only by qualified personnel. Any alteration or conversion of the towing hitch is prohibited and would lead to cancellation of design certification. Remove insulating compound and underseal from vehicle (if present) in the area of the matting surfaces of the towing hitch.

The vehicle manufacturer's specifications regarding trailer load and max. vertical cup load are decisive for driving whereat values for the towing hitch cannot be exceeded.

D-value formula: magfarkop@y

$$\frac{\text{Max trailer weight [kg] x Max vehicle weight [kg]}}{\text{Max trailer weight [kg] + Max vehicle weight [kg]}} X \frac{9,81}{1000} = D [kN]$$
